

1st Annual Wounded War Heroes Fishing Rodeo

Sept. 25-27, 2009 • The Delta Marina, Empire, LA

We Need Your Help to Give a Little Something Back to Those Who Have Sacrificed So Much for Us

Tens of thousands of service men and women have been injured in the recent war on terror in Iraq and Afghanistan, many of them suffering traumatic brain injuries, amputations, and severe burns, which will retire them from service. Wounded Warrior Project (WWP) provides programs and services, such as benefits counseling, family assistance, internships and much more, to ease their burdens

and aid in the transition back to a successful civilian life.

Donations are requested to help defray the cost of fuel, lodging, food and fishing supplies for this event. Sponsorships and in-kind donations are also welcome. Money collected will directly benefit our wounded veterans and provide them with this outdoor recreational opportunity.
