

Plaquemines Parish Post-Disaster Phased Re-Entry Plan

The primary purpose of the **Post-Disaster Phased Re-Entry Plan** procedure is to facilitate public safety and security in the event of a natural or man-made disaster where an official Emergency Declaration and Mandatory Evacuation Order has been issued and remains in effect.

Where an official Emergency Declaration and Mandatory Evacuation Order has been made by the Plaquemines Parish President and remains in effect, re-entry of businesses and the public will be permitted based on an assessment by Emergency Preparedness officials of the threat to public safety and security and the availability of sustainable living conditions.

All personnel granted access under PL-ER or PL-1 must be self sustaining (food, water, medical supplies and secure quarters) and prepared to comply with movement and curfew restrictions issued by the Parish President and/or his designee.

PL-ER - Response Support: individuals/agencies that provide critical services to assist First Responders in execution of their duties and those in direct support of critical infrastructure.

PL-1 - Recovery Support: core assessment teams of major employers or businesses deemed to be essential to the future return of residents or the economic vitality of the Parish.

Approval for a re-entry access placard is based on qualifying under pre-determined prioritized and sequenced tiers for re-entry. Any false or inaccurate information provided in this application may be grounds for automatic refusal and subject the applicant to civil and criminal penalties.

Plaquemines Parish Re-Entry Terms of Use

The Re-Entry Certificate is expressly declared by the Parish of Plaquemines to be a pure and absolute revocable privilege and not a right, property or otherwise, under the Constitution of the United States or of the State of Louisiana. The Parish declares that no holder of any re-entry certificate acquires any vested interest or right therein or thereunder. The Parish further declares that the terms of the Plaquemines Parish Evacuation Plan are subject to change without notice by local, state or federal authorities as the circumstances of the emergency or disaster may warrant.

The Holder of a Re-Entry Certificate agrees that the Holder will only re-enter the Parish of Plaquemines when the Tier Category for Holder's Re-Entry Certificate is implemented. The Holder of a Re-Entry Certificate agrees that at all times the Holder is subject to all orders, commands, and directives of local, state, and federal authorities during the disaster or emergency declared pursuant to La. R.S. 29:721 et seq., notwithstanding any provision of the Plaquemines Parish Evacuation Plan or written provision contained on the Re-Entry Certificate.

The holder of the Re-Entry Certificate expressly agrees and acknowledges that a disaster or emergency has been declared, pursuant to La. R.S. 29:721 et seq. and conditions exist that seriously or critically imperil or endanger the lives of those in a defined area. Government officials have strongly urged and ordered all persons in designated evacuation areas to relocate to safer locations for their own safety; all public services have been suspended and those re-entering should not expect rescue or other lifesaving assistance, and re-enter at their own risk.

The Holder of the Re-Entry Certificate acknowledges and agrees that in accordance with La. R.S. 29:735 and other applicable laws, the Parish of Plaquemines and its special districts are not responsible for any injuries or damages that the Holder of the Re-Entry Certificate may sustain by the use of the certificate and/or re-entry into the evacuated areas and agrees to acquit and forever discharge the Parish of Plaquemines, its special districts and the Plaquemines Parish President, Plaquemines Parish Council, and any Parish directors, employees, agents, servants, successors, individually and in their capacity as public officials, and all other persons, firms, corporations, associations or partnerships for whose acts and/or omissions of any said parties the Parish of Jefferson might be responsible, from any and all claim, demands, actions, and causes of action, rights, damages, costs, compensation, medical payments, court costs, property damage, bodily and personal injuries, attorney's fees, penalties, interest, expenses and loss of any and every kind whatsoever, whether or not of the kind enumerated, whether or not directly or indirectly sustained or suffered by the holder of this certificate on account of, or in any way growing out of, including any and all known and unknown, foreseen and unforeseen bodily and personal injuries and property damage and the consequences therefore which resulted or may result from, an accident, casualty or event occurring from or in any way related to the utilization of this re-entry certificate and/or re-entry into the evacuated areas.
