3.7 REALLOCATION: Positions may be reallocated to a higher or lower range based on changes in responsibilities, department reorganization, etc. Whenever a position(s) is reallocated in accordance with this provision, the salary(ies) of the affected employee(s) shall be determined as follows:

- a. If a position(s) is reallocated to a higher range, the pay of the employee(s) in such position(s) shall be adjusted in accordance with the provisions covering Promotion (3.3) described above.

- b. If a position(s) is reallocated to a lower range and the employee(s) in such position(s) have a hire date prior to October 13, 1995, the pay of such employee(s) shall be adjusted in accordance with the provisions of Section 3.9 b and c described below.
 - c. If a position(s) is reallocated to a lower range and the employee(s) in such position(s) have a hire date on or after October 13, 1995, the pay of such employee(s) shall be adjusted in accordance with the provisions covering Demotion (3.5) described above.
- 3.8 TEMPORARY ASSIGNMENT: When an employee is assigned on a temporary basis, for a short-term duration, to another position, no pay adjustment shall be required. However, if the position to which the employee is assigned is in a higher pay range, the Appointing Authority may recommend to the Director that an appropriate pay adjustment be authorized during the term of the assignment, which may not exceed six months. Approval of the Director is required before the pay adjustment becomes effective. Upon completion of the temporary assignment and return to the regular position, the employee's pay shall be reduced to the former pay rate.
- 3.9 Whenever existing occupied positions, not previously within the classified service, are brought within the classified service, the salaries of incumbent employees shall be determined as follows:
- a. If the employee's rate of pay is below the minimum rate established for the appropriate classification, the employee's rate shall be increased to the minimum rate.
 - b. If the employee's rate of pay is within the pay range established for the appropriate classification, but does not conform to one of the established step increments, the employee's pay rate shall be adjusted to the next higher step.
 - c. If an employee's rate of pay exceeds the maximum rate established for the appropriate classification, the employee shall not be required to suffer a salary reduction, but shall be ineligible for any further pay increases until such time as the maximum rate for that classification exceeds the employee's rate of pay.
- 3.10 Whenever part-time service is rendered, the appropriate hourly pay rate shall be determined by dividing the annual pay rate for the appropriate classification established in the Salary Range and Classification Schedule by the normal straight time hours scheduled per year. (i.e. 3432 hours per year for EMT

classifications; 2184 per year for Marine classifications; and 2080 hours per year for all other classifications.)

- 3.11 Whenever the Pay Plan is amended to set a higher range for any class or classes of work, with the express approval of the Council, additional "across the board" pay increases may be granted to all employees occupying positions in the class or classes affected in order to maintain an equitable balance between employees; provided, however, that, under no condition, may an employee's rate of pay be increased beyond the maximum rate of pay fixed for that employee's classification.

SECTION 4. MERIT INCREASES

- 4.1 Generally, conditioned upon the availability of funds, an employee entering into the classified Parish service shall be hired at the minimum rate prescribed for the class of work in which employed; exceptions being permitted only as elsewhere specifically provided in this Rule or in the Special Pay Provisions of the Pay Plan. All employees hired or promoted through certification shall be granted a pay increase upon satisfactory completion of their six (6) month working test period. The pay increase shall be equal to step five (5) on the pay grade assigned to the employee's classification and approved by the Director. In no instance shall this increase place an employee above step five (5) of their pay grade.

Effective January 1, 2019, all employees in the classified Parish service shall, subject to the availability of funds and satisfactory work performance, be eligible for a merit pay increase on each individual employee's Pay Raise Eligibility Date, which shall be the first day of each calendar year after the employee has completed one year of Parish service. If approved, the merit pay increase shall be based on the employee's most recent "service rating" and the Pay Plan's Merit Increase Table, and shall become effective on the first day of the pay period immediately following the Pay Raise Eligibility Date.

- 4.2 Since the implementation of the orderly pay raise policy set forth in 4.1 above presupposes both the availability of funds and satisfactory work performance, the granting of the pay increases permitted under that Section shall not be considered automatic nor mandatory. However, it shall be the policy of the Parish to grant pay raises in accordance with this plan to the extent possible.

When an employee is not granted a Merit pay increase within one (1) pay period from the employee's Pay Raise Eligibility Date, the employee shall be furnished written reason or reasons for the denial and a copy of the statement shall be forwarded to the Civil Service Department for inclusion in the employee's personnel record. If an employee is not furnished written reason or

reasons as required hereunder, or if the employee makes a specific allegation that the denial of the pay raise was due to racial, religious, political or other discrimination unrelated to merit factors of employment or the unavailability of funds, the employee may file a written appeal to the Commission in accordance with the conditions outlined in Rule II, Section 4 of these Rules. An employee who fails to appeal timely under this Rule shall have no further recourse.

SECTION 5. PAY REDUCTIONS

- 5.1 In accordance with the provisions of Rule X, an Appointing Authority may reduce an employee's pay rate for cause; provided, however, that the pay resulting from the reduction must conform to one of the steps in the appropriate range and in no case be less than the established minimum rate.
- 5.2 When an employee is demoted to a position in a class of work having a maximum salary rate which is lower than the employee's current pay rate, the employee's pay must be reduced to the maximum rate provided.

SECTION 6. OVERTIME PAY

- 6.1 Based on the needs of the Parish, an employee may be required or authorized by appropriate supervisory authority to work anytime when the employee would not normally be scheduled for duty. Whenever such work is required and/or authorized, the employee shall be compensated for all such work by monetary payment as hereinafter set forth which is in accordance with the Federal Fair Labor Standards Act.

Overtime compensation shall be paid at a rate of one-and-one-half (1 ½) times the regular hourly compensation for actual hours worked in excess of forty (40) hours in any one work week. There shall be no pyramiding of overtime hours in computing overtime pay.

No overtime work whatever shall be performed without proper supervisory authority and/or approval. Employees so assigned must perform the overtime, unless excused by their immediate supervisor.

- a. For nonexempt employees, compensation shall be paid at a straight time rate of pay for actual hours worked up to forty (40) hours in any one work week.
- b. For exempt employees, overtime pay provisions shall not routinely apply to classes of work designated as Exempt in the Pay Plan. It is expected that employees in the Exempt classes will work whatever hours are required to satisfy the needs of the Parish, and that they will

adjust their working schedules to meet such needs. However, whenever it is deemed justified, an Appointing Authority may authorize overtime pay for such employees.

6.2 Special Overtime Provisions.

These provisions apply to both exempt and nonexempt employees and may only be invoked by the Appointing Authority.

- a. Overtime compensation for work in preparation of an approaching storm or declared emergency or for work caused as a direct result of a declared emergency, such as cleanup, repairs or replacement of public right of ways, damaged equipment, buildings and infrastructures, and the required paperwork, shall be paid at a rate of one-and-one-half (1 ½) times the regular hourly compensation for all hours in excess of the normal scheduled work hours per day provided that the overtime is approved by the Appointing Authority.
- b. All employees who are designated as essential personnel, exempt and nonexempt, by the Appointing Authority shall be compensated at the rate of two (2) times the regular hourly compensation for all hours worked during the mandatory evacuation period provided they are performing the job duties as directed by the Appointing Authority.
- c. During a Mandatory Evacuation or during a “Declared Emergency” those employees who are not designated as essential personnel by the Appointing Authority and who are not actually on the job working or receiving any other type of paid leave shall be compensated according to Rule IX, Section 4, CIVIL LEAVE & DECLARED EMERGENCY LEAVE.

6.3 Absence from work by reason of any form of authorized leave, with or without pay, and holidays with pay shall not be considered as time worked for purposes of overtime pay eligibility determinations.

Overtime work on one day shall not relieve an employee of the responsibility to report for work at the regularly scheduled time on the next ensuing day.

6.4 Whenever an employee works on one of the holidays granted by Rule IX, Section 7, or on any part of such holiday, in addition to the regular holiday pay, the employee shall be paid for the time actually worked on the holiday; and, for overtime computation purposes, the regular holiday hours shall be added to the hours actually worked in the work week.

- 6.5 Weekly overtime pay shall be computed to the nearest one-half ($\frac{1}{2}$) hour (i.e., 15 minutes work = 30 minutes pay, 14 minutes work = 0 minutes pay).
- 6.6 Certain employees may be required, during non-working hours, to "stand-by" (be available) for emergency call-out, and when placed on "stand-by" shall be compensated at a straight-time rate of one (1) hour's pay for each six (6) hours of non-working stand-by time, in addition to any pay for work actually performed as a result of call-out.

If an employee on stand-by is unavailable for call-out or fails to respond to a call-out, the employee shall forfeit all stand-by pay for the stand-by period assigned and, in addition, may be subject to disciplinary action.

Within the context of this Rule, the term "stand-by" shall mean only that the employee is required to be available for ready communication and duty assignment, but otherwise is reasonably free for personal pursuits. In the case of severe restrictions or repetitive and frequent call-outs, the employee shall be considered to be on regular duty and shall be paid accordingly.

To place an employee on stand-by, an Appointing Authority shall notify the employee in writing that the employee is being placed on stand-by, and the notice shall include the specific stand-by period(s) required.

An employee who is subject to call-out outside of normal working hours, but who is allowed complete discretion regarding the availability for call-out, and who is not subject to disciplinary action for unavailability, is not considered to be on "stand-by" and is not entitled to "stand-by" pay as provided in this Section.

Employees who are called out and report for work shall be guaranteed a minimum of two hours pay, but any pay for work not actually performed shall not be credited for overtime compensation purposes.

EMT classifications are considered on-call twenty-four (24) hours per day for regular on-duty days and are paid for eighteen (18) hours per on-duty day with six (6) hours down time for sleeping and meals. On shift change days, the pay is for all hours on-duty.

- 6.7 Special terms of work may be specified in the Pay Plan for certain classes of work (i.e., "route rates" for refuse collectors), but in every such case, the terms of work and the base pay rates therefore shall be equated with base hours of work designated in the Pay Plan.

SECTION 7. MAINTENANCE AND ALLOWANCE

- 7.1 Allowance provided in addition to cash salary shall be considered as part payment of the salary due the recipient under the salary plan for the employee's class of position, and their cash value, as appraised by the Human Resources Manager, shall be taken into account in computing the salary for purposes of the salary plan.

Examples of such allowances are: meals, lodging, living quarters, laundry, and maintenance provided for others on behalf of an employee.

Reimbursement of actual and necessary expenses authorized or incurred as incidents to employment shall not be considered as deductible allowances; contributions or payments made by the Parish for the purpose of providing group insurance and/or retirement benefits shall not be considered as deductible allowances.

SECTION 8. INCENTIVE PAYMENTS

- 8.1 When it is determined that the cost of living has increased and that pay ranges have not been adjusted as permitted by Rule IV, Section 2.4, or that the adjustments have not fully compensated for the increase in the cost of living, a special incentive payment in addition to an employees usual compensation may be made to all classified employees, subject to prior approval of the Commission and the availability of funds, which special payment may be granted without regard to provisions set forth elsewhere in these rules. This Rule does not create a property right in any employee for such payment, nor shall said payment be considered an increase in the pay grade or rate of pay of any employee for retirement benefits, overtime rates, calculation on subsequent merit, cost of living and other increases, or for any other purpose whatsoever.
- 8.2 A payment under this section in a prior year is not determinative as to whether payments under this section should be subsequently re-authorized to maintain the competitiveness of the pay plan with the market.
- 8.3 Payments under this section may be authorized for distribution as a lump sum or periodic payment, equally divided, as determined by the Council and approved by the Commission, so long as the payments are not more frequent than the employee's normal pay period. Regardless of the number of payments, neither the Council nor the Commission shall authorize payments to provide additional pay for work already performed or advance pay.
- 8.4 In the event that the payment under this section is authorized for distribution as a lump sum, or as semiannual or quarterly payments, the employee must be employed on the date of distribution in order to receive a payment under this section. Part-time employees and employees who are employed after payment

under Section 8.1 has been finally approved shall be paid on a pro-rated basis as determined by the Commission.

- 8.5 No payments shall be made under this section in any year in which the merit pay raises have not been fully funded.

SECTION 9. PROCEDURE TO IMPLEMENT COST OF LIVING OR INCENTIVE PAYMENTS.

- 9.1 The Parish Council shall submit to the Commission for its consideration any cost of living increase or incentive payments it deems necessary. The Commission shall then review the requested changes and if approved the Commission shall amend the Pay Plan and send the amendment to the Parish Council as an ordinance to approve or reject the amendment as submitted.
- 9.2 If rejected by the Parish Council it shall send written reasons to the Commission explaining reasons for rejection. If rejected by the Commission, the Commission shall send written reasons to the Parish Council explaining reasons for the rejection.
- 9.3 Any change to the Pay Plan that provides for a cost of living lump sum payment or an incentive payment to employees shall provide that no payment may be made until the passage of 180 days after the final approval of the amendment to the Pay Plan authorizing such payment is approved by the Parish Council.

RULE V

2.1 To provide assistance in the preparation and rating of tests, the Director may select officers or employees in the Parish service to act as examiners. An Appointing Authority shall excuse any employee so selected from the employee's regular duties for the time required for the employee's work as an examiner. Officers and employees shall not be entitled to extra pay for their service as examiners, but shall be entitled to reimbursement for necessary travel and other expenses incidental thereto.

SECTION 3. ADMISSION TO EXAMINATIONS

3.1 This rule allows for discretion by the Director or Appointing Authority. Such discretion will not be used to discriminate or otherwise base decision-making on illegal criteria.

Admission to examinations held by and under the authority of the Director shall not be restricted by reason of race, color, national origin, sex, religion, age, disability, or politics.

Applicants who are residents of Plaquemines Parish shall be accorded preference over nonresidents; and, to this end, the Director may require applicants to furnish acceptable evidence of residency. All applicants who are residents of Plaquemines Parish and who have attained marks on the test or examination which meet the minimum requirements imposed for the position shall have added to their earned grade an additional ten (10) points. Residency preference may be waived only upon written request by the Appointing Authority and approval by the Director.

- 3.2 When tests are given in series and the tests for the higher classes in the series include all parts of the tests for the lower classes, competitors who fail to qualify as eligible for appointment to positions in the class for which they took tests may be rated with reference to their eligibility for a lower class or classes in the series.

- 3.6 The close of business on the date announced in the public notice of tests shall be the time fixed for closing receipt of applications. Applications received in the office of the Director after this time shall be rejected.

SECTION 4. CONTINUOUS EXAMINATIONS

- 4.1 This rule allows for discretion by the Director or Appointing Authority. Such discretion will not be used to discriminate or otherwise base decision-making on illegal criteria.

Subject to these Rules, the Director may hold examinations for which no final filing date has been set and which will be given on more than one date and from which the resulting employment list is an open list. A candidate who has failed to qualify as eligible may not reapply for an examination for the same class of positions within the first 90 days following the taking of the failed examination.

SECTION 5. RESULTS OF EXAMINATIONS

- 5.1 This rule allows for discretion by the Director or Appointing Authority. Such discretion will not be used to discriminate or otherwise base decision-making on illegal criteria.

Open Lists. The order of names on an open list and the period for which an eligible's name shall remain on an open list shall be governed as follows: (1) The period of eligibility for each person on such lists shall be six (6) months, unless extended under the provisions of Section 6.3 of this Rule; (2) Eligibles shall be listed on the employment list in accordance with their highest rating or rerating on the examination.

Persons requesting an opportunity to inspect their papers or other documents shall arrange for an appointment in the manner and on the forms prescribed by the Director.
- 5.3 A manifest error in rating a test shall be corrected if called to the attention of the Director within one (1) calendar month after the establishment of the list. However, any appointment previously made from such a list shall not be invalidated by such a correction.
- 5.4 Should the number of candidates for a position far exceed the number of existing vacant positions in the class for which an examination is held, the

Director may set forth a predetermined number to be used in deciding on the number of candidates to be placed on an employment list.

SECTION 6. ESTABLISHMENT OF EMPLOYEE LISTS AND EMPLOYMENT LISTS

6.1 This rule allows for discretion by the Director or Appointing Authority. Such discretion will not be used to discriminate or otherwise base decision-making on illegal criteria.

On each employee list or employment list, eligibles shall be ranked in the order of their ratings as earned in the examination given for the purpose of establishing the list.

6.2 At the time a employee list or employment list is established, the Director shall determine the period of time during which the list shall remain in force, which in any event shall be not less than six (6) months nor more than three (3) years.

6.3 The Director may extend the period during which a list can remain in force, but no list may be extended for a period longer than three (3) years from the date of the original establishment thereof.

6.4 Selective Certification Lists. Upon the request of an Appointing Authority, or upon the Director's own initiative, the Director may establish a list for a part of a class if, in the Director's judgment, it is advisable for the good of the Parish service to certify to some positions in the class only eligibles who have qualifications which are extremely specialized and unique and which are not required in all positions of the class.

6.5 Employee Lists. The Director, in cooperation with the Appointing Authority may establish employee lists on a service-wide or a departmental-wide basis.

- c. The Parish shall implement a program of random drug testing of employees.
- d. A confirmed positive result from a urinalysis, refusal to participate in the drug testing program, or submission of an adulterated specimen shall be grounds for dismissal under Rule X of these Rules. The Appointing Authority involved, upon notification of a confirmed positive result from a urinalysis, the refusal to participate in the drug testing program, or the submission of an adulterated specimen, shall

dismiss the employee, provided that such dismissal shall be taken in accordance with Rule X of these Rules.

- f. The testing is post-accident or reasonable suspicion/cause testing.

A designated employee of the Department of Human Resources shall review and concur in advance with any decision by a collection site

Every collection site person shall be responsible for sanitary collection of urine specimens while maintaining privacy, security, and the chain of custody. Every collection site person shall be responsible for the proper disposal of biohazardous waste and dispose of all biohazardous waste in accordance with proper safety procedures.

All samples collected for drug testing shall be packaged, sealed, labeled, and transported with the proper chain of custody procedures for analysis to a NIDA-certified or CAP-FUDT-certified laboratory in strict compliance with NIDA guidelines.

10.6 Initial Test and Confirmatory Test Required.

Drug testing shall consist of at least an initial test, as provided in the NIDA guidelines. All specimens identified as positive on the initial test shall be confirmed using a confirmatory test, as provided in the NIDA guidelines.

10.7 Review of Drug Testing Results; Medical Review Officer.

Negative results need not be reviewed by the Parish medical review officer, but shall be reported to the Department of Human Resources.

Adulterated specimens shall be reported as such to the Parish medical review officer with clarification as to the specific nature of the adulteration. The Parish medical review officer shall contact the individual who submitted the specimen, as outlined in the NIDA guidelines, before making a final decision to verify a position or report and adulteration.

10.8 Refusal or Failure to Participate; Adulteration of Specimen.

Any prospective employee who refuses or fails to participate in the pre-employment urine testing procedure for illegal drugs and alcohol, at the prescribed time and place, shall be considered as having failed the drug test.

Any employee who refuses to participate in the drug testing procedures provided for under sub-section 10.3 a-c, at the prescribed time and place, shall be considered as having failed the drug test.

Any employee found to have submitted an adulterated specimen, as verified by the Parish medical review officer, shall be considered as having failed the drug test.

The Director shall be notified of all confirmed positive test results, refusals to participate in a scheduled drug test, and submissions of adulterated specimens by current employees. Test results and submissions of adulterated specimens shall be reported via a copy of the medical review officer's report.

- b. Upon receipt of a notice of verified positive test result or submission of an adulterated specimen, the Director shall cause the name of the subject eligible to be removed from all current certifications and from all employment lists.

An eligible who refuses or fails to participate in the drug testing procedures provided for under sub-section 10.3 a-c at the prescribed time and place, shall be removed from all current certifications and from all employment lists, if satisfactory evidence of inability to participate is not furnished in justification of such refusal or failure. An eligible who refuses or fails to participate in a rescheduled test shall be removed from all current certifications and employment lists.

- c. Persons dismissed or removed from an employment list(s) under this Section shall be ineligible for Parish employment for at least six (6) months. The Director shall reject any application for employment

submitted during the six (6) month period following dismissal or removal from the employment list(s).

This sub-section c. shall not apply to a person addicted to drugs who, subsequent to dismissal or removal from an employment list, is no longer using drugs illegally and is receiving treatment for drug addiction or has been successfully rehabilitated. The Director shall require written documentation from a Qualified Professional Supervisor (QPS) or a Qualified Professional Counselor (QPC) of proof of enrollment in their substance abuse program and that the employee is being periodically tested for substance abuse or that successful rehabilitation has been completed prior to placing the person on an employment list.

This sub-section c. shall also not apply to a person who is not addicted to drugs who, subsequent to dismissal or removal from an employment list, is no longer using drugs illegally and who has been determined not to be addicted to drugs. The Director shall require written documentation from a QPS or a QPC stating the person is not addicted to drugs and is not currently using them illegally prior to placing the person on an employment list.

RULE VII

VACANCIES, CERTIFICATION, APPOINTMENT

SECTION 1. FILLING VACANCIES

- 1.1 Vacant positions in the classified service may be filled by demotion, transfer, promotion, reinstatement or reemployment, original employment, or temporary employment.

In certifying names from employment lists, preference will be given as follows:

- a. Preferred reemployment lists.
- b. Employee lists.
- c. Reemployment lists.
- d. Entrance employment lists.

A vacancy shall be considered filled under any of the methods specified, and employment thereunder shall be considered effective, as of the date on which the employee enters on the duties of the position, in accordance with the Rules.

- 1.2 Transfer. An employee may be transferred from any position in the classified service to any other position of the same class or to a position of any other class for which no additional or different qualifications are prescribed for original entrance, on recommendation of the Appointing Authority and approval by the Director. However, no employee shall be transferred from a position in one organizational unit to a position in another organizational unit without the consent of the Appointing Authority of both units concerned. No employee shall be transferred from a position in one class to a position in another class having a higher maximum salary. Any change of an employee from a position in one class to a position in a class having a lower maximum salary shall be considered a demotion.

SECTION 2. REQUEST FOR CERTIFICATION

- 2.1 An Appointing Authority proposing to fill a vacant position in the classified service shall submit to the Director a statement showing the position to be filled, the class of the position, and the duties thereof. The Appointing Authority may also specify the necessary and desirable qualifications of the person to be appointed to the vacancy.

- 2.2 Anticipation of Need. An Appointing Authority, insofar as practicable, shall anticipate each vacancy sufficiently in advance of its occurrence to permit the Director to determine who may be available for appointment, and, if necessary, to prepare a class specification and to establish a list of eligibles.
- 2.3 Request for Selective Certification. An Appointing Authority may request selective certification of eligibles for a position by specifying what is considered necessary or desirable qualifications of candidates for appointment. If the Director concludes that the request for selective certification is warranted on the basis of the evidence offered by the Appointing Authority, the Director shall certify from a list of eligibles having such qualifications.

The Director shall consider each request for selective certification on the basis of the facts in the particular instance. The burden of proof shall rest with the Appointing Authority to demonstrate to the satisfaction of the Director that selective certification is warranted. The Director may consider the cost of giving a special examination in determining whether selective certification is warranted.

If the Director approves the request and should it be necessary to hold a special examination to establish a list of a sufficient number of persons eligible for such selective certification, the Director may authorize provisional appointment, pending establishment of the eligible list, of one of the eligibles placed within the top final grade group or groups which contain the top three (3) available candidates on an existing list for the class, or of any person who demonstrates to the satisfaction of the Director that the person possesses, in sufficient degree to have a good chance of passing the examination, the special qualifications on the basis of which the selective certification procedure was requested.

SECTION 3. CERTIFICATION OF ELIGIBLES

- 3.1 Upon receipt of an Appointing Authority's request to fill a position other than by demotion, transfer, or reinstatement, the Director shall certify to the Appointing Authority from the eligible list for the class of the vacant position, the names of eligible persons within the highest final grade group or groups until there are at least three (3) available candidates. A grade group is comprised of all eligible persons who achieve an equal final score on the examination given for any class of positions.

When an employee or a member of the immediate family of an employee in the Civil Service Department, as defined by Rule I, applies for a classified position, the Civil Service Commission shall review the qualifications of all

the applicants applying for the same position. The Commission shall establish the eligibility list under these circumstances.

If three (3) or more candidates whose names are among the highest final grade group or groups express interest and availability for a vacancy, appointment will be restricted to such candidates despite the possibility that one or more final grade groups may have no representation due to unavailability of candidates.

Whenever there are fewer than three (3) candidates available within the highest final grade group or groups certified to a vacancy, the Director shall certify the next final grade group or groups until there are at least three (3) available candidates.

Under certain conditions, the names of eligibles may be added to an existing employment list after a certification has been made from that list. In such cases, before proceeding to the next final grade group or groups, the Director shall certify from any higher grade group or groups, additional eligibles not previously certified.

When, due to the number of vacancies to be filled, it appears that the highest final grade group or groups do not contain a sufficient number of eligibles to permit the Appointing Authority to consider at least three (3) eligibles in making appointments to fill those vacancies, the Director may certify an additional grade group or groups of eligibles necessary to assure the availability of at least three (3) candidates. In making appointments from such a certification, the Appointing Authority may proceed to the next final grade group or groups only when there are fewer than three (3) candidates available within the higher final grade groups.

In case of demotion, transfer, or reinstatement, the Director shall approve or disapprove the name of the person submitted by the Appointing Authority.

- 3.2 The eligibles certified shall be the highest ranking eligibles willing to accept employment, ranking in the following order: (1) the eligibles on a preferred reemployment list; (2) those on a promotional employment list; (3) those on a reemployment list; (4) those on an entrance employment list.

All the names on any one of such lists shall be exhausted before any names are certified from the next list. However, the names certified may be taken from two or more lists if necessary to make a certification of three (3) eligibles. Names shall be certified from each list in the order of their rank on that list.

Within ten (10) days after the eligibles are certified, the Appointing Authority shall appoint one of those whose names are certified to each vacancy which is to be filled. In each case of acceptance of an appointment, such appointment shall become effective as of the date on which the appointee enters upon duty in accordance with the Rules.

- 3.3 If the appropriate lists do not contain the names of a sufficient number of eligibles willing to accept appointment to make possible the certification of three (3) eligibles, the names of all eligibles on the appropriate lists who are willing to accept appointment shall be certified.

If only one name is certified to fill the vacancy and the Appointing Authority does not select that person, the Director may authorize the Appointing Authority to make a provisional appointment.

- 3.4 When a vacancy exists in a position of a class for which there are no eligibles available for certification, the Director may certify eligibles for appointment from an appropriate eligible register. Appointments made from certification from eligible registers shall be probationary and the vacancies so filled shall be deemed to have been filled in accordance with the provisions of the Rules.

- 3.5 Subject to the provisions of Rule VI, Section 8, persons who have been appointed from lists to fill conditional or temporary vacancies shall be certified continuously to all regular vacancies in the class or classes of positions for which they are eligible, until such time as:

- a. They are appointed to fill regular vacancies; or
- b. Their eligibility on the register or registers expires; or
- c. The factors affecting the conditional or temporary nature of their appointment are removed.

SECTION 4. REINSTATEMENT AND REEMPLOYMENT

- 4.1 Reemployment lists shall consist of the names of persons who were separated from their positions for reasons other than their own delinquency or fault, except as provided in Rule X, and who, at the time of separation, had attained regular status in accordance with the Rules in the class of positions in which employed when separated. Such names shall be ranked on the reemployment list in accordance with the number of years of continuous Parish employment in that class of positions. Should two (2) or more employees have equal service in a class of positions, the employee who has the greatest number of years of continuous Parish service shall be ranked highest. No person who has

reached retirement age, or who has voluntarily retired, may be reinstated or certified from a reemployment list.

- 4.2 The names of a regular employee who has been laid off shall be placed automatically on the appropriate preferred reemployment list for the class of positions the employee occupied. The name shall remain on the list for a period of two (2) years from the date of separation, unless removed earlier by any of the provisions of Rule VI, section 8. Until reinstatement or reemployment is effected within the department or organizational unit from which the employee was separated, or until the period of eligibility shall have lapsed, the employee's name shall be certified on a service-wide basis to vacancies in that class of positions.
- 4.3 Preferred reemployment lists shall precede general reemployment lists in certification; provided that persons on such lists meet the requirements and qualifications, as determined by the Director, to perform the duties of the position involved.
- 4.4 If a regular employee resigns from a position, and submits a written request to the Director within one (1) year from the date of resignation, that employee's name shall be placed on an appropriate reemployment list. The employee's name shall remain on the list until a date two (2) years from the date of resignation, unless removed sooner under any of the provisions of Rule VI, Section 8.
- 4.5 The name of a regular employee returning from military leave and placed on a reemployment register in accordance with Rule IX, Section 8.2, shall remain thereon for a period of two (2) years, unless removed sooner under any of the provisions of Rule VI, Section 8.
- 4.6 A regular employee who is separated for inefficiency, delinquency, or misconduct may, within one (1) year from such separation, be reinstated with probationary status to a position for which the employee is qualified, provided:
 - a. Reinstatement is recommended by the Appointing Authority and approved by the Commission; and
 - b. The position in which the employee is reinstated has the same or a lower maximum salary as the current maximum for the class of positions in which the employee had regular status.
- 4.7 A regular employee who has been promoted to a position of a higher class and who subsequently is removed from that position before acquiring full civil

service status therein, unless the removal was for disciplinary reasons, shall be reinstated in the employee's former position subject to the following:

- a. A regular employee who is promoted from a position in one organizational unit to a position of a higher class in another organizational unit and who subsequently is removed during the working test period, or while serving provisionally or on a conditional basis, shall be reinstated in the employee's former position in the organizational unit from which promoted if a vacancy exists therein; or shall be reinstated in any other vacant position in the same class in the organization from which promoted, provided the employee possesses the necessary qualifications to perform the duties of such position, as determined by the Director. If reinstated as herein authorized or required, the employee shall not be made to serve a new working test period. If the employee cannot be reinstated as herein authorized, the Director shall, upon the employee's written request submitted within one (1) year from removal, place the employee's name on a preferred reemployment list for the class of positions from which the employee was promoted.
- b. Whenever a regular employee is promoted to a higher class within the same organizational unit, the employee shall be granted promotional leave of absence from the position of the lower class until the employee acquires full civil service status in the higher position, and until the employee acquires such status, the Appointing Authority may fill the employee's former position only by conditional appointment. Should the employee be required to vacate the position to which promoted, the employee shall be reinstated to the former position or, in the alternative and at the discretion of the Appointing Authority, in any other position of the same class in which there is a vacancy.

- 4.8 A former regular or probationary employee who resigns from a classified position may, upon written recommendation by an Appointing Authority and with the prior approval of the Director, based upon a record of satisfactory service, be reinstated with probationary or regular status, at the option of the Appointing Authority, to the employee's former position or to any other position to which the employee may have been assigned, transferred, reallocated, or demoted if the resignation had not occurred, if a vacancy exists therein.

SECTION 5. CONDITIONAL AND TEMPORARY APPOINTMENTS

- 5.1 When a position is temporarily vacated because the incumbent is on authorized leave of absence without pay for more than three (3) months, and the

Appointing Authority desires to fill the position for the duration of the leave, the Appointing Authority must do so by making a conditional appointment in accordance with the provisions of Section 3 of this Rule. If an employee is appointed to fill the position of a classified employee on leave of absence, that employee shall vacate the position when the employee on leave of absence returns. If the employee was appointed on a conditional basis by demotion or transfer, the employee shall be reinstated in the former position when the employee on leave of absence returns.

If the employee was appointed on a conditional basis through certification from an employment list, the employee shall retain all rights the employee may have acquired by virtue of the employee's service under the conditional appointment, including, if the employee has completed the working test period, the right to have the employee's name replaced on the employment list from which the employee's name was certified for conditional appointment if the list exists. The employee shall also be subject to all other provisions of these Rules not inconsistent with this paragraph.

5.2 Limited Terms. Whenever the services of an extra employee are needed in any position in the classified service for a limited period of time in the discretion of the Director, the names of eligibles on the appropriate list who are willing to accept appointment may be certified. In each case of acceptance of appointment, such appointment shall become effective as of the approved date and the vacancy shall be considered filled.

5.3 Temporary appointments to positions in the classified service may be made for short periods without compliance with provisions of this Part requiring certification as follows:

a. Provisional Appointments. When a vacancy is to be filled in a position of a class for which there are no eligibles available for certification, the Appointing Authority, with the prior approval of the Director, may make a provisional appointment. Such appointment shall be made only after submission of the name and qualifications of the intended appointee to the Director and such individual is approved for appointment.

A provisional appointment shall terminate upon the regular filling of the vacancy in any manner authorized under these Rules, and in any event, within fifteen (15) working days after a certification from which appointment can be required.

In any case in which a provisional appointment remains in effect for one (1) year, the Director shall make a report to the Commission which

shall include the efforts made by the Civil Service Department to recruit applicants; a statement from the Appointing Authority of the assessment of the employee's on-the-job ability and acceptability; and a recommendation by the Director that the provisional appointment either be extended or that the employee be granted regular status. Based upon the information furnished, the Commission shall either order the appointment extended or grant regular status to the incumbent employee.

- b. Transient Appointments. Whenever the services of an extra or substitute employee are needed in any position in the classified service for a period of six (6) months or less, the Appointing Authority, with the prior approval of the Director, may make a transient appointment of any person deemed qualified to serve for the period required.

A transient appointment of longer duration may be made only with the prior approval of the Commission.

- c. Emergency Appointments. When an emergency situation requires that a position be filled before appointment can be made under any other provisions of these Rules, an Appointing Authority may grant an emergency appointment to any available person to serve until the position involved can otherwise be filled under the provisions of these Rules. No emergency appointment shall continue for more than thirty (30) working days in any case, or be renewed for any further period beyond that limit. The authority for any emergency appointment is conditioned upon a prompt report thereof to the Director at the time the appointment is made.

SECTION 6. STATUS OF NONCLASSIFIED EMPLOYEES WHOSE POSITIONS ARE DECLARED TO BE IN THE PARISH CLASSIFIED SERVICE OR ARE ACQUIRED BY A PARISH DEPARTMENT

- 6.1 When a nongovernmental, private organization, or position, which is not subject to the Parish classified service, is acquired by a Parish Department as a result of a Council Ordinance, Charter amendment, or judicial decree; or when a governmental organization or position, which has been created by some federal, state, or local authority, is declared to be in the Parish classified service as a result of Council Ordinance, Charter amendment, judicial decree, or by order of the Commission, the position incumbent or incumbents shall be appointed in the Parish classified service under this Rule as follows:

- a. Position incumbents who have occupied their position for one (1) year or more shall be granted regular civil service status.

- b. Position incumbents who have occupied their position for less than one (1) year but more than six (6) months shall be granted regular civil service status, provided they possess the necessary minimum qualification requirements.
- c. Position incumbents who have occupied their position for less than six (6) months, if minimally qualified, shall be granted probationary status and required to satisfactorily complete probation of at least six (6) months in order to attain regular status.
- d. Position incumbents who have occupied their position for less than one (1) year, who do not possess the required minimum qualification requirements, shall be granted probationary status and required to satisfactorily complete probation of at least six (6) months, provided that they possess any credentials considered legally necessary for employment (e.g., special licenses, certifications, etc.), and provided that they attain a passing score on the examination given for the classification involved. Otherwise, these incumbents may be retained under a provisional appointment only until a replacement appointment can be made as provided elsewhere in this Rule.
- e. Position incumbents who enter the Parish classified service in accordance with this Section and who were employed as classified employees of a governmental jurisdiction subject to a civil service article, statute, or ordinance shall be appointed to the Parish classified service with the same appointment status attained in the former service.

6.2 For purpose of application of Section 6.1d, special examinations may be administered with participation limited to position incumbents. Examinations given under this Section shall not be subject to the provisions of Rule VI, Section 3.5.

When an examination consists of or includes a rating of training and experience, position incumbents shall be considered as being at least minimally qualified on the rating portion of the examination.

6.3 Employees who enter the Parish classified service in accordance with Section 6 of this Rule shall have their pay established in accordance with Rule IV, Section 3.9.

6.4 Employees who enter the Parish classified service in accordance with this Section shall have their unused annual and sick leave credited as follows:

- a. Position incumbents who enter the Parish classified service and who were employed as a classified employee of a government jurisdiction subject to a civil service article, statute, or ordinance shall have their annual and sick leave credits assumed by the acquiring department subject to the limitations established for leave carry-over provided for in Rule IX, Sections 2.3 and 3.2.

Only unused leave credits, which were not paid upon separation and which have not been and will not be converted to retirement service credits, shall be assumed by the Parish.

- b. With the exception of current Plaquemines Parish employees who are employed outside of the Parish classified service and the employees specified in Section 6.4a above, employees who enter the Parish classified service in accordance with Section 6 of this Rule shall not be credited with unused annual and sick leave accumulated or earned while employed by any previous employer.

6.5 Employees who enter the Parish classified service in accordance with this Section shall have their eligibility for annual pay increases determined as follows:

- a. Employees who enter the service with probationary status and who are required to serve a minimum six (6) month probationary period, shall have their eligibility for the initial pay increase and subsequent annual pay increases determined in accordance with the regular provisions of Rule IV, Section 4.1.
- b. Employees who enter the service with regular status shall, subject to the availability of funds, be considered for an initial pay raise on that employee's Pay Raise Eligibility Date as determined in accordance with Rule IV, Section 4.1.

6.6 An established date of employment and beginning of continuous service is necessary for the application of various provisions of these Rules. The date of employment and beginning of continuous service for employees entering the Parish classified service under this Section shall be established as follows:

- a. Unclassified Plaquemines Parish employees whose pay and benefits have been administered by the Finance Department Payroll Office and who receive the same benefits as Parish classified employees, and incumbents who enter the Parish classified service in accordance with this Section and who were employed as classified employees of a governmental jurisdiction subject to a civil service article, statute, or

ordinance may retain their current date of employment and continuous service (as defined in these Rules) as their benefits date for purposes of leave and tenure benefits and for the purpose of determining pay eligibility.

However, their date of employment for purposes of application of Rule XIII, LAYOFFS, shall be the date on which they are appointed on a provisional basis or with probationary or regular status.

- b. For all other employees, the date of employment and beginning of continuous service shall be the date on which the employee was appointed on a provisional basis, or appointed with probationary or regular status in the Parish classified service.
- 6.7 Any rights, benefits, privileges, and/or conditions of employment which were previously enjoyed by employees who enter the Parish classified service under Section 6 of this Rule, but which rights, benefits, privileges, and/or conditions of employment are not specifically provided for in this Section or elsewhere in these Rules, shall not be recognized.
- 6.8 The Director shall obtain and review appropriate documents and records relating to positions and incumbents being considered for placement in the Parish classified service, and shall prepare a recommendation which shall be considered by the Commission. Upon approval by the Commission, the recommended actions shall become effective.
- 6.9 Upon request of an Appointing Authority and when, in its judgment, sufficient and compelling reasons to do so have been presented, the Commission may apply the provisions of this Section to situations not specifically addressed herein.
- 6.10 Section 6 of this Rule shall not apply to any employee who is illegally hired in either the Parish unclassified or Parish classified service.

RULE VIII

WORKING TESTS

SECTION 1. EMPLOYEES TO SERVE WORKING TESTS

- 1.1 This rule allows for discretion by the Director or Appointing Authority. Such discretion will not be used to discriminate or otherwise base decision-making on illegal criteria.

Every person appointed to a position in the classified service by certification from an original employment list or an employee list shall serve a six (6) month working test period while occupying the position. At any time after the first two (2) months of the working test period, the Appointing Authority may remove an employee for either of the following justifiable reasons:

- a. The working test indicates that the employee is unable or unwilling to perform the duties of the position satisfactorily; or
- b. The working test indicates that the employee's habits or lack of dependability do not merit the employee's continuance in the service.

The Working Test Employee shall be evaluated by his immediate supervisor at least twice during his/her working test period, before the end of three (3) months of employment and before the end of five (5) months of employment.

Failure by the Supervisor to evaluate the Working Test Employee shall have the same force and effect as a satisfactory report.

Under no circumstances shall an Appointing Authority be permitted to remove more than three (3) employees successively from the same position during the working test.

Upon removing an employee, the Appointing Authority shall inform the Director and the employee forthwith, in writing, of the fact and the reason for his action.

An Appointing Authority may remove an employee within the first two (2) months of the employee's working test period only for justifiable reasons and with the prior approval of the Director.

The Director may remove an employee at any time during the latter's working test period if the Director finds, after giving the employee notice and an

opportunity to be heard, that the employee was appointed as a result of fraud or error.

1.2 Unless otherwise stated to be of a longer duration at the time of announcement of a test for a class of positions, the working test period shall be six (6) months.

1.3 Extension of time: Not later than fifteen (15) calendar days prior to the expiration of the working test period of the employee, an Appointing Authority may request the Director to extend the duration of the test for justifiable reasons; provided that, at the time of the request for the Extension of time, the employee was notified that an extension has been requested.

The Appointing Authority shall submit the request in writing and, at the time of submission, send a copy to the employee. If the mandated filing date falls on a Saturday, Sunday or legal holiday, then the fifteen day filing period will be extended to the end of the next day which is not a Saturday, Sunday or legal Holiday. No extension shall be allowed which would cause the test period to be longer than one (1) year.

1.4 Failure by the Appointing Authority to give the fifteen (15) calendar days' notice, as stated above, to the Director and a copy thereof to the employee shall have the same force and effect as a satisfactory report.

1.5 If the Director determines that an employee who has been removed from a position during or at the end of a working test period is suitable for appointment to another position, the Director may restore the employee's name to the list from which it was certified. If the employee was a regular employee in another position in the classified service immediately prior to appointment to the position from which removed, the employee's name may be placed on the reemployment list for the class of positions in which the employee was a regular employee.

SECTION 2. INTERRUPTION OF WORKING TESTS

2.1 This rule allows for discretion by the Director or Appointing Authority. Such discretion will not be used to discriminate or otherwise base decision-making on illegal criteria.

If an employee is laid off during a working test period and subsequently is reappointed by the same Appointing Authority from the same eligible list, the employee shall be given credit for the portion of the working test period completed before being laid off.

- 2.2 If an employee is transferred during a working test period from a position under one Appointing Authority, to a position under another Appointing Authority, the second Appointing Authority may at his discretion permit the employee to receive credit for the portion of the working test period previously completed under the first Appointing Authority.
- 2.3 If an employee is placed on military leave without pay while serving a working test period, the employee shall be given credit for the portion of the working test period completed before being placed on such leave.
- 2.4 If an employee is appointed to a higher position in a like classification of work before completion of a working test period in a lower position, the employee shall be given credit for the incomplete portion of the working test period if the employee remains in the higher position during a period equivalent to the unfinished portion of the working test period served in the lower position.
- 2.5 If reinstatement is not effected as herein provided, the person, with the prior approval of the Director, may be returned to the employment list from which the employee was certified.
- 2.6 An Appointing Authority may, at his discretion, permit credit to be granted an employee for the portion of a working test period previously served under himself or another Appointing Authority.
- 2.7 If an employee is placed on “Declared Emergency Leave” while serving a working test period, the employee shall be given credit for the portion of the working test period completed before being placed on such leave. The employee must complete the balance of the working test period when the “Declared Emergency Leave” ends.

SECTION 3. RECOGNITION OF PROVISIONAL SERVICE

- 3.1 In the case of an employee who was hired under provisional appointment, and who subsequently qualifies for and is appointed to the same position on a regular basis, without interruption of employment, credit toward completion of the required working test period shall be given for all service previously rendered under the preceding provisional appointment.
- 3.2 Consistent with the spirit of sub-section 2.6 above, credit toward completion of a working test period may be granted for provisional service other than that described in 3.1 herein, upon recommendation of the Appointing Authority and with the approval of the Director.

RULE IX

HOURS OF WORK, LEAVES OF ABSENCE AND ABSENCE WITHOUT LEAVE

SECTION 1. HOURS OF WORK. The work week for full-time employees in the classified service shall consist of not less than forty (40) regularly scheduled working hours, exclusive of 30-minute lunch periods. A person employed to work on a regular schedule of less than forty (40) hours per week shall be considered a part-time employee for pay administration and other purposes. An employee who works on an intermittent or variable basis, dependent upon the demand for the employee's services, shall be considered a subject-to-call employee.

- a. The normal work week is Monday through Friday between the hours of 8 a.m. and 4:30 p.m. with a thirty (30) minute lunch period. Rest breaks, if allowed, are considered as time worked.
- b. Certain departments are required to maintain normal operations on a twenty-four (24) hour basis which will require employees to work varying shifts. In these instances, departmental supervision shall determine the necessary work schedules to maintain the normal operations and shall notify affected employees of their assigned hours of work.
- c. Each employee is expected to be at work on time and to work the full work schedule. Excessive absenteeism and/or tardiness may result in loss of leave and/or disciplinary action.
- d. An employee who is going to be absent or tardy is to call the appropriate supervisor as closely as possible to, but in no event later than 15 minutes prior to the assigned work starting time. Failure to provide the proper notification within the prescribed time limit may result in the employee being charged with being absent without leave.
- e. An employee who works shift schedules, who knows he/she is going to be absent or tardy is required to call his/her supervisor at least one hour before the start of his/her scheduled shift. Failure to provide the proper notification within the prescribed time limit may result in the employee being charged with being absent without leave. It may also result in disciplinary action.

SECTION 2. ANNUAL LEAVE

- 2.1 Except as provided elsewhere in this Rule, each eligible full-time employee in the classified service shall accrue annual leave with pay. Accrual begins with

the first full bi-weekly pay period of employment; however, annual leave will not be considered earned and may not be taken or paid until the full-time employee has completed the six month probationary period following initial employment.

- a. An full-time employee with less than ten (10) years of continuous service as a full-time employee shall earn four (4) hours of annual leave for each bi-weekly pay period worked (13 days per year). For those pay classifications in which employees' regular days are longer than eight hours, employees will accrue annual leave at a proportional rate to enable them to accrue a total of 13 days per year.
- b. An full-time employee with ten (10) but less than nineteen (19) years of continuous service as a full-time employee shall earn six (6) hours of annual leave for each bi-weekly pay period worked (19 ½ days per year). For those pay classifications in which employee's regular days are longer than eight hours, employees will accrue annual leave at a proportional rate to enable them to accrue a total of 19 ½ days per year.
- c. An full-time employee with nineteen (19) or more years of continuous service shall as a full-time employee earn eight (8) hours of annual leave for each bi-weekly pay period worked (26 days per year). For those pay classifications in which employees' regular days are longer than eight hours, employees will accrue annual leave at a proportional rate to enable them to accrue a total of 26 days per year.

2.2 No annual leave shall accrue to a full-time employee for any bi-weekly pay period during which the employee is on suspension, or is absent without leave for more than the number of hours in the employee's normal work day. A full-time employee on approved leave without pay for less than half the bi-weekly pay period would earn 100% of his/her accrual. A full-time employee on approved leave without pay for half the bi-weekly pay period would earn 50% of his/her accrual. A full-time employee on approved leave without pay for more than half the bi-weekly pay period would earn 0% of his/her accrual.

2.3 On December 31 of each year, the accumulated annual leave of all full-time employees shall be carried forward proportionally to the number of hours normally worked per day not to exceed 30 days. These accumulated annual leave hours shall be paid upon an employees termination, regardless of the reason; retirement; and, in the case of death of the employee, payment shall be made to the beneficiary or estate.

- a. Should a declared emergency occur where employees are needed to maintain, repair, or restore the Parish infrastructure, the Appointing

Authority may elect to pay only those employees who worked during the declared emergency for the excess accumulated annual leave hours, or allow them to carry forward their excess accumulated annual leave hours.

- b. When the employee takes a Special Leave of Absence Without Pay to accept an appointment to an unclassified position, without a break in service, or with a break in service not in excess of one full bi-weekly pay period, all unused annual leave accrued to such employee's credit shall remain to his/her credit when s/he begins service in the new position and the employee shall receive continuous service credit for purposes of determining the rate of Annual Leave accruals, or;
- c. If an unclassified Parish employee resigns to accept an appointment in the classified service, without a break in service, or with a break in service not in excess of one full bi-weekly pay period, all unused annual leave accrued to such employee's credit shall remain to his/her credit when s/he begins service in the classified position and the employee shall receive continuous service credit for purposes of determining the rate of Annual leave accruals.

2.4 Approval of Annual Leave. Request for eight (8) hours or less of annual leave shall be made at least 24 hours in advance. Whenever possible, requests for more than eight hours shall be made one week in advance.

2.5 The minimum charge allowed for annual leave shall be one (1) hour.

SECTION 3. SICK LEAVE

3.1 Each eligible full-time employee in the classified service shall earn and accumulate the equivalent of one-half the hours of a regular day with pay, for each bi-weekly pay period worked, beginning with the date of employment. For those full-time employees whose regular scheduled day is eight hours, those employees shall receive four hours sick leave for each bi-weekly pay period. For those full-time employees regularly scheduled to work longer than eight hours each day, they shall accrue sick leave at a proportional rate.

3.2 No sick leave shall accrue to a full-time employee for any bi-weekly pay period during which the employee is on suspension, or is absent without leave for more than the number of hours in the employee's normal work day. A full-time employee on approved leave without pay for less than half the bi-weekly pay period would earn 100% of his/her accrual. A full-time employee on approved leave without pay for half the bi-weekly pay period would earn 50% of his/her

accrual. A full-time employee on approved leave without pay for more than half the bi-weekly pay period would earn 0% of his/her accrual.

- 3.3 There shall be no limitation on the amount of sick leave which may be accumulated and carried forward from one year to the next. However, no payment will be made for an employee's accumulated sick leave at time of termination.
- 3.4 Sick leave may be taken by an employee for necessary absence from duty due to:
 - a. Employee's illness, injury, hospitalization or exposure to a contagious disease.
 - b. Medical, dental or optical consultation or treatment for the employee.
 - c. The minimum charge allowed for sick leave shall be one (1) hour.
- 3.5 In support of usage of sick leave with pay, a statement from the employee's attending physician may be required at any time. However, any absences of two (2) consecutive working days charged to sick leave will normally require a physician's statement, which shall include the inclusive dates of treatment, the reason for such treatment and when the employee may return to unrestricted duty. Failure by the employee to obtain and provide the physician's statement, when required to do so, within five (5) working days of returning from sick leave, may result in the period of absence being charged to leave without pay.
- 3.6 All unused sick leave remains to an employee's credit:
 - a. When the employee resigns to accept a provisional, transient, or probational appointment in the Parish classified service without a break in service or with a break in service not in excess of one (1) full bi-weekly pay period.
 - b. During any period when the employee is carried on authorized military leave without pay.
 - c. When the employee is reinstated or reemployed after a layoff of ninety (90) days or less.
 - d. When an employee is transferred from one Parish department or agency to another.

Records of the central payroll office shall be used in determining the amount of leave involved.

- 3.7 After a full-time employee has exhausted all accumulated sick leave, annual leave may be used for an employee's extended period of sickness or injury, after which the employee will be placed in leave without pay status.
- 3.8 Subject to the prior approval of the Director, an Appointing Authority may allow a full-time employee to donate Sick or Annual Leave with pay to another full-time employee, subject to the following conditions:
- a. The recipient must have been employed with the Parish for a period of not less than six months.
 - b. Approval of donations must be contingent upon the recipient demonstrating a need of additional sick leave.
 - c. Donated Annual Leave will be converted to Sick Leave and added to the recipient's Sick Leave credit.
 - d. The donor relinquishes all future claims to the donated leave, regardless of the medical conditions of either the donor or the recipient.
 - e. The donation must be strictly voluntary, without coercion, implied or otherwise, and must be certified as such in writing by the donor in advance of the actual transfer of sick leave from the donor to the recipient.
 - f. In cases where an employee is donating sick leave with pay to an employee in another organizational unit, the approval of both Appointing Authorities/Department Heads will be required.
 - g. Upon approval, the Appointing Authority is responsible for providing all necessary leave adjustment forms to the Finance Department with appropriate documentation.
- 3.9 Upon separation from the Parish service after having attained ten (10) years of creditable service to qualify for a current or deferred retirement benefit under the Parochial Employees' Retirement System, the accumulated sick leave credits shall be certified to the retirement system for additional service credit as provided by applicable law.
- 3.10 When a full-time employee suffers a job-related injury which results in the employee's inability to perform the normal duties of the employee's position

and which entitles the employee to compensation under the State workers' compensation laws, the normal leave provisions provided elsewhere in these Rules shall apply.

The full-time employee shall be required to obtain authorization for the absence by requesting Sick Leave, Annual Leave or Leave Without Pay in an amount sufficient to cover the period of absence and the Appointing Authority shall approve or disapprove the request for leave as provided elsewhere in these Rules.

Payment shall be made to the full-time employee for all leave charges against the employee's accumulated Annual or Sick Leave balances in addition to any Workers' Compensation payments received by the employee.

SECTION 4. CIVIL LEAVE & DECLARED EMERGENCY LEAVE

- 4.1 CIVIL LEAVE: A full-time employee will be granted time off without loss of regular rate of pay when:
- a. Performing jury duty.
 - b. Summoned to appear before a court, grand jury, or other public body or commission, except as a plaintiff or defendant.
 - c. The Appointing Authority determines that full-time employees are prevented from performing duty by an act of God or during a Mandatory Evacuation. After the Mandatory Evacuation is lifted, full-time employees may be granted Declared Emergency Leave (Section 4.2 below).
 - d. The full-time employee is a member of a reserve component of the Armed Forces of the United States or the National Guard and is ordered to active duty because of a national, state, or local emergency, act of God, civil or criminal insurrection or disobedience, or similar occurrences which threaten or affect the peace or property of the public.
 - e. A full-time employee is a member of the Parish Volunteer Fire Department and is ordered to an active status in response to and emergency.
 - f. A full-time employee takes or participates in a Plaquemines Parish civil service examination. A full-time employee taking an examination for a license or certificate from a state agency may be granted civil leave if

the Appointing Authority certifies that the service will benefit by the employee's acquisition of the certificate or license.

- g. When a full-time employee is subpoenaed, or is requested, to appear before the Civil Service Commission or its duly appointed hearing officer in a capacity other than as a party to a cause or action, time spent at the hearing site or other designated work site, while testifying or waiting to testify, shall be considered as hours worked for purposes of computing regular and overtime pay due the employee.

4.2 DECLARED EMERGENCY LEAVE

During a declared “state of emergency,” full-time employees who are not designated as essential personnel by the Appointing Authority, and who have not returned to regular duty may be granted Declared Emergency Leave.

- a. Under this rule, when a Mandatory Evacuation has ended, the Appointing Authority may grant additional leave to full-time employees who qualified for Civil Leave under Section 4.1 (c) above and still cannot return to work. This compensation shall be paid at a rate of 67% of the employees regular hourly compensation.
- b. In order to qualify for Declared Emergency Leave, the employee must have completed the initial working test period and be classified as a full time regular employee with permanent civil service status.
- c. No annual leave or sick leave hours will be earned or accrued while on Declared Emergency Leave.
- d. No Holiday pay shall be paid during this leave.
- e. Employees are required to contact their supervisor with an updated address, and contact phone numbers. Failure to comply may result in leave cancellation
- f. Any employee who fails to return to work on the first working day following expiration of Declared Emergency Leave may be terminated.
- g. Employees who are on Leave Without Pay or Absence Without Leave immediately prior to the declaration of the “State of Emergency” or “Mandatory Evacuation” shall not be eligible for this leave.

SECTION 5. FUNERAL LEAVE

5.1 In the event of the death of a member of the full-time employee's immediate family, as defined in Rule I, the Appointing Authority may grant up to two (2) consecutive work days of Funeral Leave, which shall not be charged to the employee's Annual or Sick Leave. Any paid leave of absence under this rule must be consecutively taken on or within two (2) calendar days of the funeral or burial service. The Appointing Authority may grant additional time for travel, if the funeral takes place further than 200 miles from the employees place of residence, but in no instance shall the total be more than four (4) consecutive work days. The employee will be paid only for those hours the employee was scheduled to work.

5.2 In support of request for Funeral Leave, the full-time employee shall furnish to his supervisor written documentation of the need for absence, including in such documentation the name and relationship of the deceased, the date of death, and such other information as may reasonably be required to justify the leave requested. Example: Newspaper Obituary. The employee shall furnish the required documentation in advance or as soon as reasonable practical, and in no case later than ten (10) calendar days after the date of the end of such leave.

Failure by the employee to comply with a request to furnish such notice and information shall be cause for denial and/or cancellation of the leave.

5.3 After granting any leave under this Section, should it be determined by the Appointing Authority that the leave was not justified, the leave charge shall be changed to Leave of Absence Without Pay, and the Appointing Authority shall also take such other disciplinary action as is deemed suitable.

SECTION 6. FAMILY AND MEDICAL LEAVE. The Director shall develop and promulgate to the Appointing Authority a written family and medical leave policy, which sets forth guidelines and procedures necessary for implementation of the Family and Medical Leave Act of 1993, as amended. The Appointing Authority will ensure that employees are informed of these provisions.

SECTION 7. HOLIDAYS

7.1 The following days will be observed as holidays by all regular employees full-time: New Year's Day; Martin Luther King's Birthday; Mardi Gras; Good Friday; Memorial Day; Independence Day; Labor Day; Veterans Day; Thanksgiving Day; Day after Thanksgiving Day; Christmas Eve Day; Christmas Day; New Year's Eve; and any other holiday which may be declared by the Parish Council or the Parish President.

- 8.1 Any regular or probationary full-time employee who is a member of a reserve component of the Armed Forces of the United States or the State of Louisiana shall be granted military leave of absence for a period not to exceed fifteen (15) working days in any calendar year, without loss of pay, annual or sick leave, or other benefits, when ordered to active duty for field training or other related or similar training purposes. An Appointing Authority may grant a regular or probationary employee annual leave, leave without pay, or both, in accordance with other provisions of these Rules for periods of training in excess of fifteen (15) working days.
- 8.2 Any regular or probationary full-time employee who is inducted or ordered to active duty to fulfill a reserve obligation or who is ordered to active duty for an indefinite period in connection with reserve activities, and who has not been granted full leave with pay benefits provided above, shall be granted Military Leave With Pay up to an amount which, when added to any leave previously

granted within the current calendar year, equals no more than fifteen (15) working days. The provisions of this section apply only to leave eligibility during the initial calendar year of a lengthy or indefinite tour of duty which spans a period which extends into two (2) or more calendar years. In no case shall the combined total of leave granted under this section exceed fifteen (15) working days in a calendar year. Any additional leave, if necessary, will be Military Leave without Pay.

- 8.3 When military leave with pay provided for in Rule IX, above, has been exhausted, a full-time employee whose military base pay is less than his/her parish pay shall be paid the difference between their military pay and their parish pay in their regular position. This differential pay shall be provided to any parish employee called to active service in the uniformed services of the United States pursuant to a declaration of war, congressional authorization, or presidential proclamation pursuant to the War Powers Resolution (50 U.S.C. 1541 et. Seq.), or national emergency. The payment shall be made in the same frequency and manner as the employee's regular parish pay. Any employee receiving the pay differential shall provide to their Supervisor all such documentation appropriate to ensure that the amount of the payment is calculated correctly. Any employee who elected to use his/her annual leave during active service shall not be eligible for receipt of the pay differential.

Full-time employees called to active duty shall accrue sick and annual leave for the entire period of service, beginning with the date of service. Leave shall be accrued on the same basis as though the employee had not been activated. Leave earned shall be credited to the employee upon his return from active duty.

SECTION 9. MILITARY LEAVE WITHOUT PAY

- 9.1 Full-time employees who are inducted or ordered to active duty with the Armed Forces of the United States or National Guard for indefinite periods, or for periods in excess of their annual training, shall be placed on military leave without pay for the period of active military duty, plus no more than ninety (90) days. If hospitalization continues after discharge, the employee will be carried in Military Leave Without Pay status for a period of not more than one (1) year.
- 9.2 The full-time employee shall be restored to the position which the employee vacated, provided:
- a. The full-time employee makes written application to the Appointing Authority within ninety (90) days from the date of the employee's honorable discharge or discharge under honorable conditions, or from

hospitalization continuing after discharge for a period of not more than one (1) year.

- b. The full-time employee is physically and mentally capable of performing the work of the position to the satisfaction of the Appointing Authority.

9.3 An full-time employee who is placed on military leave while serving a working test period will be required to serve the remaining portion of the probationary period upon returning to the former position.

SECTION 10. LEAVE WITHOUT PAY

10.1 A full-time employee may be granted leave without pay not to exceed thirty (30) days by the employee's department head, when it is determined that such leave is in the best interest of the Parish. Such leave may be granted only after all accumulated sick (if applicable) and annual leave has been exhausted.

10.2 On certain occasions, a period not to exceed one (1) year may be recommended by the department head and approved by the Appointing Authority, when considered to be in the best interest of the Parish.

10.3 A department head may curtail an employee's leave without pay status, when it is determined to be in the best interest of the Parish. Timely and proper notice thereof will be furnished to the employee and the Director when such action is taken.

10.4 An employee shall be provided written confirmation of a leave of absence granted by the department head to include starting and ending dates.

10.5 Any employee who fails to return to work on the first working day following expiration of a leave without pay may be terminated.

10.6 Requests for leave without pay from a probationary employee shall not be granted beyond the initial 30-day period.

SECTION 11. SPECIAL LEAVE OF ABSENCE WITHOUT PAY. The Appointing Authority may grant a regular full-time employee special leave of absence without pay for the purpose of enabling the employee to accept an unclassified position in the Parish service, except an elective office. The special leave of absence without pay herein authorized shall not exceed six (6) months when approved by the Appointing Authority. Any employee who fails to return to his/her classified position at the expiration of the special leave of absence without pay may be terminated from their classified position.

SECTION 12. MATERNITY LEAVE. The Parish recognizes that pregnancy and childbirth are conditions which may interfere with the working ability of female employees. Accordingly, inability to work resulting from pregnancy or childbirth shall be viewed as illness and shall entitle a full-time employee to sick leave benefits elsewhere provided in this Rule, subject to the regular conditions and limitations set forth for the use of sick leave. It is further recognized that, in some cases of pregnancy or childbirth, an employee, although not disabled for work, may desire a leave of absence for personal convenience. In any such case, the Leave of Absence Without Pay benefits elsewhere provided in this Rule may be utilized by the employee, under the conditions and limitations set forth therein.

SECTION 13. ABSENCE WITHOUT LEAVE

- 13.1 It shall be the duty of every employee to report for work and to work throughout the regularly scheduled working hours, unless the employee applies for and is granted approval for a leave of absence from the employee's department head.
- 13.2 All periods of absence without leave will be reported on the daily time and attendance reports by separate and specific identification, and no compensation shall be paid to any employee for time absent from work without leave.
- 13.3 Pay deduction or pay denial to an employee for time absent without leave shall not be considered or treated as a disciplinary action. Separate disciplinary actions, including dismissal, may be taken against an employee for any absence without leave, in accordance with Rule X of these Rules and Regulations.
- 13.4 For purposes of this Section, the term "work" shall include normal and related duties, assignments that are ordered or authorized by an employee's supervisor, i.e., participation in job related safety or training sessions, work breaks, evacuation of premises, or relief from duty due to hazardous conditions, escort or transport to a Parish medical facility for first aid for a job related injury.
- 13.5 If an employee feels that pay was unjustly denied for time absent without leave, an appeal may be filed with the Director only on the basis of a specific allegation that the absence was, or should have been, approved or authorized under one or more of the leave provisions of this Rule. Such an appeal must be filed in writing and within thirty (30) calendar days of the pay day on which the pay was denied. The Appellant shall bear the burden of proof of such allegations.

SECTION 14. RETURN FROM LEAVE OF ABSENCE/INVOLUNTARY LEAVE OF ABSENCE

- 14.1 An employee will not be allowed to resume regular duties at work following a return from a leave of absence of five (5) or more consecutive working days, due to a medical disability until the employee furnishes the Appointing Authority a statement by a licensed physician certifying that:
- a. The employee is released to return to work without restrictions that would prohibit the employee from performing essential job functions, or
 - b. The employee is not affected by a medical condition that interferes with the employee's ability to satisfactorily perform essential job functions.

When an employee submits documentation of an ADA-qualifying disability, a reasonable accommodation review will be conducted at the employee's request.

- 14.2 The Appointing Authority may require an employee to undergo examination by a Parish physician, at Parish expense, to obtain confirmation of the employee's ability to resume the normal duties and responsibilities of the employee's position.
- 14.3 Pending receipt of the employee's physician's certification or the Parish physician's examination, the employee may be placed in a sick leave, annual leave, or leave without pay status by the Appointing Authority.
- 14.4 Failure by an employee to comply with the requirements of this Section may result in disciplinary action, up to and including dismissal.
- 14.5 Every case in which an employee is placed in a leave status under this Section, the Appointing Authority is responsible for furnishing the employee a written statement of action taken and reasons therefor. The written notice shall also notify the employee of the right of appeal to the Director within thirty (30) days of the effective date of action taken against the employee, the Director's address, and the fact that assistance is available from the Parish to file such appeal. The Appointing Authority will also furnish the Director a copy of the notification sent to the employee. The Commission will be the sole judge of the sufficiency and timeliness of the effort.
- 14.6 Nothing in this Section shall diminish the rights and responsibilities of the Parish or of its employees, as provided under Rule VI, Section 10 (Drug Testing) of these Rules.

- 14.7 Employees who are granted Family Medical Leave under Rule IX, Section 6 (Family and Medical Leave) will be subject to conditions of the FMLA Policy as it relates to returning to work.

RULE X

DISCIPLINARY ACTIONS

SECTION 1. MAINTAINING STANDARDS OF SERVICE

- 1.1 When a regular employee in the classified service is unable or unwilling to perform the duties of the employee's position in a satisfactory manner, or has committed any act to the prejudice of the service, or has neglected to perform any act it was the employee's duty to perform, or otherwise has become subject to corrective action due to causes outlined in Rule VI, Section 3.5b, the Appointing Authority shall take action warranted by the circumstances in order to maintain standards of effective service.

Action by the Appointing Authority may extend to:

- a. Removal from the service.
 - b. Retirement.
 - c. Reduction in pay to the next lower rate in the pay range for the employee's class of position.
 - d. Demotion to any position of a lower class that the Appointing Authority and the Director deem the employee is competent to fill.
 - e. Suspension without pay, not exceeding in the aggregate ninety (90) days in any period of twelve (12) consecutive calendar months.
 - f. Fine.
 - g. Reprimand or other less drastic measures of discipline which the Appointing Authority considers proper.
- 1.2 In every case of dismissal, suspension, reduction in pay, fine, involuntary retirement, or demotion of an employee in the classified service, the Appointing Authority responsible for the action shall furnish to the employee involved a written statement of the reasons therefor. The written notice shall also inform the employee of the employee's right of appeal to the Commission within thirty (30) calendar days of the date of the action taken against the employee, of the address of the Commission, and of the fact that forms to assist in the filing of an appeal may be obtained from the Civil Service Department. In addition, the Appointing Authority shall forward to the Director a copy of the notification sent to the employee. In any case of alleged inability to furnish

the required written notice to a disciplined employee, the Commission may require evidence, and shall be the sole judge of the sufficiency and timeliness of the effort. The Director may review any case of disciplinary action taken against a classified employee and may, on the Director's own initiative, immediately investigate the circumstances.

RULE XI

RECORDS

SECTION 1. APPOINTMENT FORMS

- 1.1 The Director shall prescribe forms on which Appointing Authorities shall certify the fact of lawful creation of a position and the fact of lawful appointment of a person to the position. The Director shall indicate on these forms the proper allocation of the position and the rate of pay at which payment is to be made. When submitted to the Superintendent of Finance, in the case of those departments for which the Superintendent of Finance prepares departmental payrolls, or when submitted to fiscal officers whose departmental payrolls are not prepared by the Superintendent of Finance, these forms shall constitute authorization for the initial placement of the name of a person on a payroll. No person shall subsequently be removed from a payroll except in accordance with the Rules.

SECTION 2. PAYROLL AND ATTENDANCE RECORDS

- 2.1 Each Appointing Authority shall install a system of payroll and attendance records. Each payroll shall show the name of the employee, the official class title, the period for which payment is proposed, the rate of pay, and the amount of proposed payment. The system or systems shall be designed to facilitate the maintenance of adequate personnel records and to eliminate duplication of accounting and reporting to the fullest extent practicable. The Director shall advise and assist the Appointing Authority in establishing the systems of payroll and attendance records.

The method prescribed elsewhere in these Rules for determining an average rating shall be followed.

In the absence of a service rating, or in case of equal service ratings, seniority in the class involved shall be the factor determining the order of layoff.

- 2.1 The Appointing Authority having jurisdiction over the organization unit affected, or his authorized representative, shall designate the class to be reduced. The class thus designated shall include all the employees in the organizational unit who are currently employed in the class or who are on authorized leave from positions in that class; provided that where the organizational structure warrants limiting layoffs to a unit smaller than a department, the Appointing Authority, with the prior approval of the Director, may divide the department into functional units for the purpose of limiting the number of employees potentially affected by any reduction in personnel.

SECTION 3. SUCCESSION OF LAYOFFS

- 3.1 When employees in a designated class in an organization unit are to be laid off, the order of layoff shall be determined in the following order of succession:

- a. regular employees shall be laid off in the inverse order of average performance evaluation and within each group of equal service rating, in the inverse order of seniority within the class or in a higher class of the same kind of work.
- b. when an Appointing Authority feels that a certain individual is essential to the efficient operation of the organization unit because of special skills or abilities, and wishes to retain this individual in preference to a person with greater average service rating, the Appointing Authority must submit a written request to the Director for permission to do so. The request must set forth in detail the specific skills and abilities possessed by the individual and the reasons why such individual is essential to the effective operation of the department or organization unit.

If the Director approves the request, the specified individual may be retained in spite of a lack of seniority.

3.3 Seniority of regular employees in the class involved in the organization unit affected by a contemplated layoff shall be computed as follows:

- a. by the total length of continuous employment under a regular appointment with the Parish.

- c. from the date of reentry into Parish employment by an employee who was separated from the service for cause and subsequently rehired.

When two (2) or more regular employees have the same seniority date, and all or none are entitled to preferential treatment, the Appointing Authority

shall have the discretion in determining which employee or employees shall be laid off first.

- 3.5 Bumping – Should a regular employee who is determined to be in the group to be laid off have more seniority than an employee in a lower class of the same kind of work in the organization unit, the employee shall be demoted to the lower class and an employee in the lower class shall be demoted or laid off in accordance with this Rule.
- 3.6 Should a probationary or regular employee be scheduled for layoff in one department while a provisional employee holds a position of the same class in another department, the Director shall arrange a transfer of the probationary or regular employee to the position held by the provisional employee.

SECTION 4. PROCEDURE

- 4.1 With reference to any proposed layoff, the names and job titles of any and all working test or regular employees scheduled for layoff shall be submitted to the Director for approval. However no layoff shall be effected until the Director has approved the names submitted for layoff.
- 4.2 Employees shall be sent to the Department of Civil Service for an exit interview prior to layoff. During the exit interview, reemployment rights will be explained to the employees.

- 4.4 The name of every regular employee who is laid off shall be placed on a appropriate Preferred Reemployment list by the Director for a period not to exceed two (2) years from the date of layoff. All such names shall be ranked by the average service rating, highest to lowest, within that class and shall remain on the Preferred Reemployment list and be governed by the provisions of Rule VII, Section 4.2.
