**FOR IMMEDIATE RELEASE**

**March 24, 2020**

## COVID-19 (Coronavirus) Update

The Plaquemines Parish Government is monitoring COVID-19 (Coronavirus). Residents are asked to monitor local media for more information as it becomes available. The public is advised to take regular CDC (Centers for Disease Control and Prevention) precautions & protective measures at this time

### Key Messages

- Eight (8) Positive Cases as March 24, 2020
- Plaquemines Medical Center received 300 more COVID-19 Testing kits
- Plaquemines Parish Council & Port Meetings scheduled for Thursday, March 27, 2020 cancelled
- Water, Sewerage, Drainage, Grass Cutting, and Garbage Operations and critical parish infrastructure and improvement projects will continue. We are committed to providing the best and most efficient services possible during this unprecedented time. Garbage collection will continue by providing for the collection of containerized household garbage twice per week.
- Water Billing and Collections: In order to comply with the CDC's recommendation to practice social distancing, all residents and businesses are encouraged to pay their bills online at <https://bit.ly/2wtQTC2>.
- Ferry Department: Starting Tuesday, March 24, 2020, the Pointe-a-la-Hache will operate 6AM-8AM and 6PM-8PM
- Social distancing is absolutely critical right now to slow the spread, protect our vulnerable community members, and prevent the healthcare system from becoming overwhelmed.

### PPSB (Plaquemines Parish School Board) & Our Lady of Perpetual Help Catholic School

- PPSB Food Service Department has suspended a grab-n-go breakfast and lunch until further notice. OLPH will still offer grab-n-go

### **PMC (Plaquemines Medical Center)**

- Monitoring and preparing.

### **Louisiana SPCA Plaquemines Parish Campus (NSTR)**

- In response to the recommendations put forth by the Center for Disease Control regarding social distancing, beginning Wednesday, March 18, the Louisiana SPCA will require all visitors to schedule an appointment to limit the number of people inside each facility at one time.

### **Chevron Oronite – Oak Point Plant (NSTR)**

- Evaluating our workforce to provide alternative working schedules as needed.
- Regularly updating our workforce as we receive more information and encouraging everyone to focus on the health and safety of their families, minimizing their exposure, and practicing good hand hygiene.
- Oak Point is taking precautionary measures to reduce the risk of exposure, including screening workers and visitors at company facilities.

### **Alliance Refinery-Phillips 66 (NSTR)**

- No changes in the operational plans for refinery employees
- Increase cleaning and healthy practices throughout facility
- Sanitizing done numerous times a day
- Non-business critical staff to work remotely

### **Riverbend Nursing & Rehab (NSTR)**

- Facility is closed to all visitors, vendors, providers, etc. (only staff and residents)
- All non-critical appointments for our residents have been rescheduled
- All staff are screened prior to entering the facility
- Daily in services are being provided on infection control, proper hand washing technique, proper technique for application and removal of PPE
- In addition to regular cleaning, common areas and flat services are being disinfected 3x per day using Super Sani-cloth germicidal disposable wipes
- Emergency stock supply has been obtained for most items (exception is masks) and is secure in the event of a facility outbreak
- All departments have stocked up all emergency supplies to prepare for a shelter-in-place event.

The mission of Plaquemines Parish government is to provide high quality, efficient services to sustain and enhance the quality of life for all residents of Plaquemines Parish
